

GUIDELINES FOR MTC'S IMPORTATION OF PLANTING MATERIALS UNDER IAP 2021

MTC in its efforts to support the timber industry's initiative to import planting materials (i.e. seedlings/plantlets) for the establishment of forest plantations, is introducing the Import Assistance for Importation of Planting Materials for off-shore sourcing of seedlings/plantlets. This programme aims to promote the establishment of forest plantations of fast-growing tree species for future sustainable timber supply. The yield from the forest plantations could serve as future log supplies to meet the demand by the Malaysian timber industry and to reduce pressure on natural forest.

1. INCENTIVE

Reimbursement for air freight and handling charges incurred for the importation of planting materials (i.e. seedlings/plantlets).

- Eligibility **per company/group of companies**:

Description	Eligibility
Maximum Incentive Amount	RM70,000
Maximum Reimbursement per Shipment (i.e. approximately 50,000 – 100,000 seedlings/plantlets per shipment)	RM10,000

2. COMPANIES' ELIGIBILITY
