**Challenges :**

- English version is very limited
- Content updating is relatively slow

**Activities Plan 2008 – beyond :**

- GFIS-Indonesia workshop
- Improve english version website
- Update content more frequently
- In line with IT development : Capacity building
- Upgrade infrastructure
- Contribute to gfis.net

## GFIS - Indonesia Workshop

- Held in Jakarta, 15 April 2008
- Attended by 30 mid level MOFRI officials, Universities
- Demonstrations : 19 technical staffs
- Topics discussed : GFIS, ASEAN Forest Clearing House Mechanism, Indonesian Forest Resources Information System
- Issues raised :
  1. Benefits of GFIS.
  2. Data transparency, access and sharing
  3. Provide more information in english.
  4. Better information management.

thank you
