RESEARCH DIVISIONS

1. Forest Botany
2. Chemistry of Forest Products
3. Forest Extension
4. Forest Ecology & Environment
5. Forest Entomology
6. Forest Pathology
7. Pulp & Paper Technology
8. Forest Products (Wood Science & Technology)
9. Forest Soil & Land Reclamation
10. Forest Genetics and Tree Improvement
11. Silviculture
12. Non-Wood Forest Products
13. Resource Survey and Management

Academic Courses

Three M. Sc. Courses (2 Years Duration) Two P. G. D Courses (1 Year Duration)

1. Forestry
2. Wood Science & Technology
3. Environment Management
1. Natural Resource Management
2. Management of NWFP Resources

Total students

1st Year 72
2nd Year 71

Certificate Courses

1. 6 months in Pulp and Paper Technology

-Admission through All India Entrance Exam.

-2 Seats reserved for Foreign Students

DOCTORAL PROGRAMME

- ☛ Registration is open twice in a year
(a) March Term
(b) September Term
- ☛ Registration can be done in any of the research disciplines.
- ☛ Minimum 55% marks at PG level are essential for registration.
- ☛ The application form is available on the website www.fri.res.in in the month of January, February, July and August respectively every year.

Total registered research scholars as on date: **478**

Total no. of research centres: **16**

Following Institutes are recognized as Research Centres of FRI University

- Indian Institute of Forest Management, Bhopal
- Tropical Forest Research Institute, Jabalpur
- Arid Forest Research Institute, Jodhpur
- Himalayan Forest Research Institute, Shimla
- Institute of Wood Science & Technology, Bangalore
- Institute of Rain Forest Research, Jorhat
- Institute of Forest Genetics & Tree Breeding, Coimbatore
- Institute of Forest Productivity, Ranchi
- Kerala Forest Research Institute, Peechi, Kerala
- Wildlife Institute of India, Dehra Dun
- Indian Plywood Industries Research & Training Institute, Bangalore
- Forest Survey of India, Dehra Dun
- U.P. Forest Research Institute, Kanpur
- Indian Institute of Remote Sensing, Dehra Dun

Initiatives

- ❖ Curriculum Review
- ❖ Linkages and Integration
- ❖ Teaching Methodology
- ❖ Faculty Upgradation
- ❖ Field Exposure
- ❖ Placement

Initiatives...

- ❖ Networking and Exchange with Indian and Foreign universities
- ❖ Uniformity and harmonization in syllabus, Teaching
- ❖ Collaboration
- ❖ Wider Technical Role
- ❖ Better Linkages among Educational, Training and Field Institutes

Thank You
