

MALAYSIAN TIMBER COUNCIL

# IMPORTANT REMINDER

Members of the timber industry are hereby reminded to adhere strictly to all directives set by MKN, MOH, MITI and MPIC.

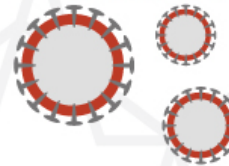

Please take care of your staff and workers and advise them to **keep social distancing** by refraining from any gatherings including those for religious purposes.

For companies which have restarted production, please **adhere to safety procedures and hygiene practices** issued by MKN at all times.

For companies not in operation and if you have local/foreign workers staying within your factory premises, **don't leave them unattended.**

Your full cooperation is necessary to contain the spread of **COVID-19.**

Thank You!
